AZ CORP COMMISSION DOCUMENT CONTROL

IN THE MATTER OF THE APPLICATION OF ARIZONA WATER COMPANY FOR AN EXTENSION OF THE SERVICE AREA UNDER ITS EXISTING CERTIFICATE OF CONVENIENCE AND NECESSITY TO PROVIDE WATER UTILITY SERVICES.

DOCKET NO. W-01445A-03-0559

PROCEDURAL ORDER

BY THE COMMISSION:

In Decision No. 66893 (April 6, 2004), the Arizona Corporation Commission ("Commission") granted Arizona Water Company's ("Arizona Water" or "AWC") application for an extension of its Certificate of Convenience and Necessity for its Casa Grande system, subject to certain conditions.

AWC was ordered to file (1) a copy of the Developers' Assured Water Supply for each development with the Commission within 365 days of the Decision and (2) a main extension agreement associated with the extension area within 365 days of the Decision.

On March 30, 2005, AWC filed a Request for Additional Time to Comply with the Filing Requirement ("Request").

By Procedural Order issued November 14, 2005, Cornman Tweedy 560, LLC ("Cornman"), was granted intervention, and a procedural conference was set for November 21, 2005.

At the November 21, 2005 procedural conference, Cornman indicated that it adopted the motion made by Picacho Water Company to consolidate this matter with Picacho's pending application for an extension of its CC&N¹ and additional oral arguments were heard on the motion, and timeframes for filing additional arguments were discussed. Also discussed at the procedural conference were timeframes for responses to Staff's Legal Memorandum on the issue of whether the Certificate of Convenience and Necessity granted in Decision No. 66893 ("Legal Memorandum") is null and void.
